GRADUATION 2016

The 2016 graduation banquet will be held at the Hotel Murano in Tacoma on Saturday June 4, 2016. Each graduate will receive two tickets for the banquet at no cost but any additional tickets will have to be purchased. We have reserved a limited number of rooms that are offered at the price of $149.00. The Hotel is now taking reservations, but the number of rooms available are limited. Any questions on meals, extra tickets, and any other issues regarding the banquet, please call the JATC office. Hope to see everyone there for this enjoyable event.

MISSED SCHOOL HOURS

Our school attendance policy reads, “All class hours missed shall be made up hour for hour. Hours must be made up within 90 days of the missed class/or the start of the next semester, whichever comes FIRST”. “Anyone absent from class when a test is given will be required to take a makeup test and complete that test before you can attend the next class”.

Remember that your pay raise is also held until ALL of your missed school hours have been made up.

Check out our new web site as shown above.

TRAINING DIRECTORS NEWS

New Title: Steve Harper our lead day instructor has been reassigned as Instructor/Assistant Training Director. He will be doing double duties as we slowly transition into my retirement before handing the reigns over to Steve. We are all very excited about Steve taking over the first of the year and we are sure that he will keep improving the program as needed. We will also be looking to hire another day instructor to start around August of this year. If you're interested you can pick up an application from our office. Applications must be submitted to our office along with a resume by June 10, 2016.

Olympia CEU Class: I’ve been informed that the Lacey Fire Station has a new policy for 2017 regarding the use of their classrooms. “Each organization will be allowed one evening per month”. We will be looking for a new place to hold CEU classes in Thurston County starting in 2017.

EEO: The JATC is looking to increase its female and minority applications, if you know of any females/minorities that you think would be an asset to the IBEW & NECA, please have them apply.
