APPRENTICE NEWS

The 2005 Electrical Contest will be held in Boise, ID on Saturday, September 10th. Ben Doyle from Danard Electric will be representing our program. Wish Ben well and know he will do an excellent job representing us.

Welding class at Bates Technical College will start on September 13th. Make sure and get signed up for this class so that it will not hinder your raise. Those who will be taking welding down South can register for the class at South Sound C.C.

The 5th year evening classes will start on Thursday September 8th at 5:30 pm. The first night of class for all 5th year apprentices will be held at the Tacoma Training Center. Low Voltage and Residential classes start on Tuesday September 6th starting at 5:30 pm.

Day school schedule is as follows: Class 4A—Thursday September 8th; Class 3A—Wednesday September 14th; Class 2A—Tuesday September 13th; Class 1A—Monday September 12th. Calendars are available at the JATC office that give the dates for the

Yimin Du and Ben Doyle, top graduates from the Residential & Construction programs receiving their Klein Certificates along with a set of Klein Tools.

whole school year. You can also find a printable version on our website www.swwaejadc.org.

The graduation banquet held on May 20, 2005, was attended by over 250 people. I'm sure all enjoyed a very fun evening. All graduates received a \$25 gift card from Platt Electric. Top graduates from the Construction program with a cumulative score for the entire program were: Ben Doyle—98.8%, Jim Gibson—98.5%, Mark Wagner—98.4%, Clinton

Quinn—97.8%. Chris Gill had a 99.7% GPA for the school year. The top Residential graduate was Yimin Du who finished with a cumulative GPA of 96%. All received cash and prizes for a job well done.

Congratulations to all the graduates!!!!!!!

As an apprentice working in the field, you **MUST** have a valid trainee card. If you are working without a current trainee card, you are subject to a fine of \$500. Check your card to make sure that you are in compliance.

TD NEWS

BlueVolt will now offer a discounted price for your on-line class. If you do decide to take some of your CEU's on-line at BlueVolt, your code for a discount is *ibewwa*. Use this code and you'll receive the cheaper rate. They will also have the WAC/RCW on-line very soon. Their classes are also

registered with Oregon and others across the country if you need to renew your license elsewhere. You can get there at www.bluevolt.com.

If you take any on-line or correspondence courses, it is your responsibility to keep records of the classes. We will not have any records of your correspondence or on-line classes in our office.

The Residential Design and Residential 2005 Code Change will be reserved for the Residential wireman first then open to all members two weeks prior to the start of class.
