APPRENTICE NEWS

This year's graduation banquet will be held on Friday, June 2, 2006. The event will take place at the Red Lion Olympia Hotel. Each graduate will be given two (2) tickets for dinner and any additional tickets needed must be purchased at the JATC office. Those that want to stay the night will be given a discounted rate. Information will be sent to all graduates within the next few weeks.

The last few years, we've had apprentices let their trainee card lapse for an extended period of time. Working without a valid trainee card is a violation of the State license requirement. The JATC will not notarize any hours worked without a valid trainee card, which will also delay your ability to take the State test. When your card is due for renewal, bring the form to the JATC office so that we can verify your hours and have it notarized. KEEP your card current!!!!!!

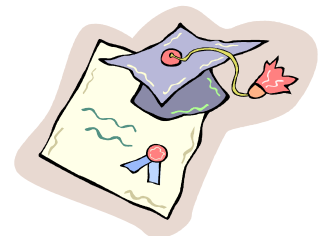

The class of 2006:
Kelcy Alejandro, Aaron Berets, Jesse Birdsall, Dan Brown, Richard Brumley,

NOTES & QUOTES

2005 Code Books \$37

Tabs for 2005 Code Book \$7

When filling out a OJT evaluation on your apprentice, please discuss all matters with them. It is the only way that they can improve if they have any shortcomings.

An expert is someone who knows some of the worst mistakes that can be made in his subject and how to avoid them...

The reward of a thing well done, is to have done it...

Experience enables you to recognize a mistake when you make it again...

When the mind is thinking, it is talking to itself....

Wrinkles, the service stripes of life....

TD NEWS

When filling out your apprentices' work evaluation, please take the time and discuss any shortcomings with him/her. Leave personality

issues out of the evaluations and be as truthful as possible. We use these evaluations to council, direct, discipline, etc. so it is very important that these are filled out correctly. These apprentices will be our future and any

faults that you see must be corrected in order that we turn out the best possible JW.

*The Overcurrent Protection class will be starting at **5:00 pm.***
